PLEASE NOTE: Your health and safety remain our highest priority as we plan for this event. All Progress Seminar attendees and guests must be fully vaccinated to attend any part of the Seminar. This means that you must have completed either the one-dose Johnson & Johnson vaccine or the two-dose Pfizer or Moderna vaccines at least two weeks prior to the event, as well as receiving your booster(s). We will continue to evaluate what protocols should be employed based on State guidance and applicable State, County, and Local requirements. A negative COVID test taken within a reasonable time period prior to the event may be required as well.
